

RESOLUTION

REQUESTING THE DEPARTMENT OF DESIGN AND CONSTRUCTION TO BEGIN THE PROCESS TO INSTALL A SIDEWALK ON PAOAKALANI AVENUE IN WAIKIKI, BETWEEN KUHIO AVENUE AND KANELOA ROAD.

WHEREAS, Paoakalani Avenue in Waikiki, which is a one-way City roadway that runs from Kalakaua Avenue to Ala Wai Boulevard, is paved with sidewalks on both sides of the entire length of the roadway except for one Diamond Head-side section between Kuhio Avenue and Kaneloa Road (see Exhibit A); and

WHEREAS, this stretch of Paoakalani Avenue has long been a safety hazard for pedestrians, both residents and visitors alike, who, because of parked vehicles and other obstructions, are often forced to walk in the roadway in order to travel mauka to makai, or vice-versa; and

WHEREAS, the residents in this area have been attempting, through their Neighborhood Board and area legislators, to secure a sidewalk in this last section of Paoakalani Avenue due to lack of a sidewalk for the past 25 years; and

WHEREAS, the Council finds that the construction of a sidewalk in this situation will address a public safety hazard, reduce the risk of legal liability, and is in the best interests of the people of the City and County of Honolulu; now, therefore,

BE IT RESOLVED by the Council of the City and County of Honolulu that the Department of Design and Construction is requested to begin the process to install a sidewalk on Paoakalani Avenue in Waikiki, between Kuhio Avenue and Kaneloa Road, including, but not limited to, the following activities:

1. Determining the technical and funding requirements of installing the sidewalk, curbs, and gutters, as necessary;
2. Opening discussions with the landowners to negotiate the purchase of those portions of the three privately-owned parcels sufficient to construct the sidewalk, curbs, and gutters; and
3. If unsuccessful in reaching an agreement with one or more landowners, forwarding to the Council a written recommendation and draft Resolution for condemnation proceedings in order to fulfill this public purpose;

and

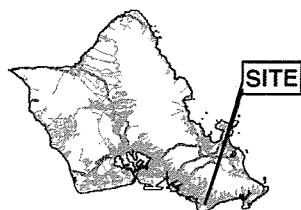

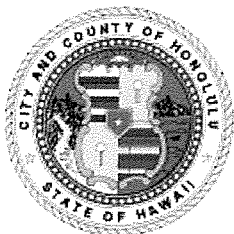

RESOLUTION

BE IT FINALLY RESOLVED that copies of this Resolution be sent to the Mayor, the Managing Director, the Director of the Department of Design and Construction, and the Chair of the Waikiki Neighborhood Board No. 9.
